

# Joe Izzard

## Senior Lighting Control Technician

**Address** United Kingdom **Email** joe@izzard.me

### 01 PROFILE

I am an experienced Control Technician with 10+ years experience in the Entertainment Industry, including leading teams of people, heading departments, building detailed technical proposals and managing time critical work to deadlines. I am pursuing a degree in Computer Science and looking to move more towards a IT based career, building infrastructure and platforms that are highly available and built with reliability in mind to support the work of the business and others.
